Fabulous FAJITAS

Fajitas from a smokehouse? Why not! First, we take butterflied sirloin steak, and chicken and marinate them. Then we smoke them for about 2+ hours for a taste you just can't get anywhere else.

FANTASTICALLY DELUXE FAJITAS

We take that unbelievable smoked sirloin and chicken, smoked onions and peppers, slice and serve it with flour tortillas, spicy borracho beans, Spanish rice, chili con queso and fresh guacamole, and iced tea. We make sure you've got plenty of fixin's including pico de gallo, cheddar cheese, sour cream, PoK-e-Jo's own house-made salsa and tri-colored, crispy, house-made tortilla chips.

Give us 24-hours notice to prepare – real good things take time.
